To Whom It May Concern:

I am writing to recognize Wyngate of Maplewood Properties for their outstanding service and excellent community. In recent months, I have had the privilege to work with Wyngate and property manager, Renee Solie, as my roommates and I were seeking new rental housing. During the application process, Renee and the staff of Wyngate were very helpful in providing assistance with the many forms and applications that needed to be completed. Upon finishing the necessary paperwork, my roommates and I were informed that we had been accepted as new residents of Wyngate at Maplewood. Once we were accepted, Renee was very efficient in organizing the lease and setting the move-in date.

Since becoming a resident of a Wyngate townhome on June 28, 2006, my roommates and I have been very pleased with our new home. The spacious layout of the home allows each of us to have our own "space" and allows for plenty of room to entertain and host our friends and families. The amenities the townhome provides, including individual laundry facilities and the kitchen island, have been a great benefit to our living experience thus far. In addition to the arrangement of each individual townhome, we have also enjoyed the layout of the Wyngate community. Although we have only been residents for two weeks, we have already been privileged to get acquainted with many of our neighbors in the Wyngate community.

Overall, I have had a wonderful beginning to my new home here at Wyngate at Maplewood. My experiences with the staff and with the new townhome have been very pleasant and better than could be expected. Please consider the Wyngate at Maplewood property and staff as you honor outstanding service and properties.

Respectfully,

Emily Klang
